### Congratulations

I received a letter which warmed my heart last week. It was sent by a member of the public, who had attended a funeral the previous week. She wrote to congratulate the group of boys, who stopped playing cricket, stood still and removed their hats as the funeral procession past the school grounds. These boys were involved in our Active After School Sports Program. I would like to personally add my congratulations to Callum O’Reilly and Jordan Lang, who were taking the group, and each of the boys. This show of respect was appreciated by many and reminds us how a thoughtful gesture can mean so much.

### Borambola

Our Year 3 and 4 students would already be enjoying their time at Borambola. During their 3 day camp, they will have the opportunity to enjoy and develop their skills in low ropes, archery, sponge throwing, dancing and games among many other things. They are anticipated to arrive back in Barham at approximately 6.30pm Wednesday, which will be updated closer to arrival time on our school noticeboard and Skoolbag app.

### Daniel Morcombe Day

On Friday the students of Barham Public School came to school dressed in the colour RED. They came in that colour to show support and to raise funds for the Daniel Morcombe Foundation. Throughout the day all the students watched a series of video clips which had important and relevant messages about child protection and the ways in which the students can keep safe. From these clips the message was that the students should Recognise, React and Report any situation where they feel unsafe or something has happened to them they don’t like. The students raised $171, which was a great effort.
Assembly
Congratulations to our Merit Award winners at Friday’s assembly.

Learn to Swim Program
Our Learn to Swim Program will take place during Weeks 9 and 10 (Monday, 1st – Thursday, 4th and Monday, 8th – Thursday, 11th December (incl). The success of our swimming program relies on the help of parents and community members to reduce the group sizes. Last year we ran a session to assist our volunteer swimming instructors, which we plan to run once more. If you are able to help with our lessons, even for only a few sessions, would you please indicate below to assist with our planning.

Year 6 Transition Program and Kindergarten Orientation
Both these programs will continue this Tuesday, 4th November. The Year 6’s reported that they had enjoyed their first day at the High School last week. Once again, they will make their own way to the High School on Tuesday.
The Pre Schoolers also enjoyed a morning in Kindergarten last week. There were many happy faces as they met all the classes after they first arrived. This Tuesday, from 11.30-1.30pm, they will once again spend time at Barham Primary School, learning some of the routines, meeting new friends and getting to know our school.

Peace Run
Next Monday, 10th November, the Peace Run, which has been held around the world since 1987, will be arriving in Barham. The run commenced in Uluru on Friday, 17 October and after reaching the Goolwa in SA, will follow the length of the Murray River to its source in the Snowy Mountains, not far from Mt Kosciuszko. It will reach our school at 2pm.
The Sri Chinmoy Oneness-Home Peace Run was founded by peace visionary Sri Chinmoy (1931-2007), who promoted a link between athletics and world peace.
The peace torch, the symbol of the run, has been held by numerous world leaders including Nelson Mandela, Mikhail Gorbachev, Pope John Paul 11, Mother Theresa and three previous Australian Prime Ministers. When the team, consisting of athletes from around the world, arrives at our school next Monday, it will be passed amongst our students. It should be an excellent opportunity for our students.

Aspire Me Art Exhibition
This Wednesday evening, Grace Membrey, Amy Black and their families will be attending the Aspire Me Art Exhibition in Deniliquin, with Mrs Rady. The exhibition will showcase the art created by the students who attended the Aspire Me Art camp at Moulamein during Term 2.
WANTED
We have run out of egg cartons in the kitchen & art room. If you have cartons to spare please send them into school.

Kitchen Fundraiser
It’s that time of year again when we look at replacing or adding to our much loved kitchen equipment (chopping boards kitchen scissors cutlery storage containers & knives are items that spring to mind)
On Wednesday week 12th November there will be ice cream cups for sale @ recess with or without our lovely Rhubarb Syrup. Cups are $2 each with 2 generous scoops per serve

Year 6 Cook Off
Thursday of week 8 (Nov 27th) will see our very capable Yr 6 cooks from 4/5/6M face off with their whisks, spatulas, rolling pins, and slotted spoons against the equally capable Yr 6 cooks in 4/5/6R.

Making this the great M vs R challenge of 2014
Students are to come up with a 2 course menu using fresh produce and store cupboard ingredients in 90 minutes. Students will be ably assisted by at least one staff member with each group.
Please take the time to work on recipe ideas /family favourites. Students need to have finalised their ingredient requirements by Thursday 20th. Your kids are very clever in the kitchen … don’t underestimate their talent when it comes to slicing –dicing - whipping and whisking

Kitchen quote of the week: … Eyeing the floor and benches after a particularly enthusiastic bread making session with K/1 Red

“You’ve got flour and kids … what do you expect”

Thanks Molly for the happy reminder

Please do not leave us without a replacement.

Thank you to Tim Coote for the load of sand allowing us to top up our sandpit. There were smiles on lots of faces when the new sand was discovered. Thanks Tim.

SWIMMING VOLUNTEERS
I can assist and would like to attend an information session to learn more about teaching swimming
