Debating

A massive congratulations to our Barham Red debating team for their win over Tooleybuc last Tuesday. The debate started off with Barham Red losing the toss which automatically gave them the negative side of the topic “That primary school students should be given longer holidays”. The girls, Tessa Fasham, Tatum Boyd, Maddy McGowan and Lizzy Amor, came up with some fantastic points for this and rebutted the Tooleybuc students well. This debate was done via video conference which saved much travel time and financial expense. We now wait to see who the girls have to debate in the next round.

After School Sport

Active After School Communities will continue to run this term. This is a free program which aims to introduce children to exercise through fun, participation and socialising. Callum and Jordan are again the program’s co-ordinators. Years 3-6 will be held on Tuesday afternoons, commencing at 3.15pm, and finishing at 4.15pm. Kinder to Year 2 will be on Thursdays, at the same times. The activity for this term is soccer.

This is the last week that students may enrol so please ensure you collect a form from the office.

Vale

Our school community, as well and the broader Barham/Koondrook community, was very saddened to hear the news that Trevor Gibson had passed away. Trevor was a loved member of staff for many years. As our General Assistant, nothing was ever too much for Trevor and he was often found laughing at our suggestions on how to build or fix something. No sooner had you finished discussing an idea with Trevor, it was completed and he was heading back to his shed with his trusty bucket of tools. He was forever smiling and always happy to see both students and staff. Our thoughts are with his loving family, in particular Claire, Sophie and Ellie.

Lions Public Speaking

Tonight is the night!! Ella, Tatum, Jarvis and Tanner will be representing our school with pride at the Lions Public Speaking Competition. We wish them all the best and hope that they gain a great deal of experience from this amazing opportunity.

Parent Teacher Interviews

Many thanks to those parents who attended our interviews. This is a vital link in ensuring a successful educational journey. Thank you also to our staff for giving up their valuable time to stay late to accommodate parents who could not make it immediately after school. Please remember that staff are available during the term to discuss any issues you may have. These issues are best addressed and no issue is ever considered too small. We are here to make the primary school years the best possible for your children.
Football
There has been some confusion regarding students playing football at school. Students are allowed to play football and kick to kick at school at recess and lunch times, however, they are not able to play before school (8:30am-9:00am). This is due to the fact that we are only able to have one staff member on duty before school and that the grass is quite wet which results in wet clothes and dirty carpets.

Regional Athletics Reminder
Next Monday, August 4th, the Regional Athletics will be held in Albury. This carnival starts at 9am and will be held at Alexandra Park, North Street, Albury. Good luck to all our students representing the school and Moulamein PSSA at this carnival.

Quilt Raffle
A reminder to our Year 5 and 6 students about selling their raffle tickets for the beautiful quilt that has kindly been donated by Mrs Anne Ibb’s. All funds raised from this raffle go towards Years 5 and 6 Sydney excursion. Thanks to the parents who have sold tickets down the street for the students. Your efforts are appreciated by all.

Milo Tuesday
S.R.C. will again be serving yummy hot Milo and Tim Tams at recess on Tuesdays, at a cost of $2.

Gardening News
This week in garden, Laura, Amy, Bianca, Ash and Conrad were weeding, mulching and fertilizing. Indeah, John, Matt and Matt were painting the vertical garden for the new plants. Lauren, Henry, Ben and Hannah were weeding. Ellie, Emma, Shanae, Grace, Jacob and Dominic were in charge of propagating a pineapple. We enjoyed gardening this week!!!!!!

Kitchen News
We started the week with our Monday market cooking team making some delicious biscuits called ‘World Peace Cookies’ – a timely choice – perhaps our world really does need some cookies at the moment. Lentil & Veg Bolognese was a super hit with K/1 Red this week as were the yummy bread sticks. So many empty plates and so many happy smiles. Cauliflower Fritters, Rhubarb and creamed rice, pumpkin & pearl cous cous also decorated our plates this week. Lemonade fruit has also been a very popular fruit of choice for our students. Thankyou to Peninsula Organics for their donation of pumpkins, cabbage, lettuce and purple kale. All very welcome supplements to our kitchen pantry.

Yummy Cheese & Herb Twists were very popular

Lunch time Art & Craft Activities

In week 2 students had a wonderful time creating different craft projects with their Peers. In wool craft, students created colourful God’s Eyes out of skewers. In Art & Craft, students invented their very own Monster Magnets using a range of craft materials. In our Loom Band sessions, students again shared their Looming skills with their peers to help each other create simple and complex Loom Band bracelets.

“I really like the craft at lunch. It gives you something to do.”
Laura 4/5/6R.
