PRINCIPAL’S MESSAGE

The week we will be joining with schools across the country for Day for Daniel Morcombe. Our classes have already been completing activities selected from the Department’s Child Protection resource and from the Daniel Morcombe Foundation’s Educational Resources. These activities teach children ways for them to stay safe.

Local Police Officer, Jane Wall will also join us on Friday for the Day for Daniel to speak to students about how to be safe in their community and when out and about. It is set to be a great day of learning.

It has been a pleasure to visit some of our classrooms this week and to see students happily and effectively engaged in learning. Teachers will be visiting each other’s classrooms over the next few weeks as part of their professional development cycle. It is a valuable way to further enhance teaching and learning in our school.
In the school garden, the first strawberries have been picked. Very exciting! The garden is looking fantastic – full of healthy produce and a place for active learning.

**KINDERGARTEN ORIENTATION BEGINS**

It was a great start to Kinder Orientation last week. The Pre-schoolers were very excited to be visiting and seeing what happens at ‘big school’. Teachers and students at our school were equally pleased to be getting to know the preschoolers who will start Kindergarten in 2016.

Miss Biti and Kelly stayed for the session and helped the children and Mrs Laughlin throughout their visit. There were lots of smiling faces and happy voices.

The next Kinder Orientation session takes place during the middle session and over the lunch break this Wednesday, 11.30am - 1.30pm. The pre-schoolers will have a taste of the routines of a school day during this program, staying for a full day on their final visit.

The Parent Information Session and luncheon was also held last Wednesday and staff enjoyed meeting with some of the pre-schoolers’ parents. There is an information pack for all new enrolments. Any parents who were unable to attend the meeting are welcome to drop in to the school to collect one, and to chat with Mrs Peach and Mrs Laughlin.

**GOLF FOR SPORT**

Students in Years 4, 5 and 6 have been learning how to play golf in Sport this term. They have had the privilege of Jane Wall and Irene Whelan joining them during sport, and teaching them the skills of golf. As a special end to the program, students joined a number of local golfers to play a mini game of golf last Friday.
Students’ Report
Last Friday, a group of Year 4, 5 and 6 students went to the Barham Golf Course to participate in a mini game. In groups of three, we went with a community helper. Some people even had a golf cart.

After about an hour of golf, we all met up at the back of the Pro Golf shop. We all said thank you to the local golfers who had helped us, and gave them a special thank you card that we had made. We presented Jane and Irene with some biscuits and jam from our school kitchen for their lovely help, and for giving up their time to come to our school to teach us golf.

Natasha

“I really liked golf. It was good when Jane said we could do another shot, especially when I hit a long one.”

Jack L.

“I really enjoyed golf today, especially when I hit a big one on the tenth.”

DAY FOR DANIEL

Barham Public School will be participating in the 11th annual Day for Daniel. This day is an initiative of the Daniel Morcombe Foundation and aims to educate children and adults about keeping kids safe through child safety and protection initiatives. It aims to help empower our children to Recognise, React and Report if they feel something is not right.

On Friday 30th October (this week) all staff and children will be wearing red to show support of this day, and to:
Barham Public School Newsletter

- raise awareness about child safety and protection and to promote a safer community for children;
- educate children regarding their personal safety and empower them to Recognise, React and Report;
- honour the memory of Daniel Morcombe;
- be one of one million people nationally support the Day for Daniel.

Students have been participating in a number of lessons around child protection and will also have a visit from Police Officer Jane on the day. We will be talking about the safe places to go and will enjoy a special recess at school.

Each student is asked to pay $2 and this money will be donated directly to the Daniel Morcombe Foundation. The SRC will supply every child with a little ‘red’ treats such as muffins, cupcakes and biscuits to enjoy at Recess.

Money raised will allow the Foundation to continue to assist educators and parents in the education of children about their personal safety by:

- funding the development of child safety educational resources;
- assisting young victims of crime through financial support, in addition to that provided by Government agencies;
- empowering all Australians to make their own local communities safer places for children.

Thank you for your support of this valuable initiative.

**ASPIRE ME SCHOOLS’ SPECTACULAR, SYDNEY**

Two of our students, Hannah Boyd and Teesha Thompson, have been selected to attend the Aspire Me Schools Spectacular excursion to Sydney. This excursion targets Year 5 students who show an interest and talent in the Creative Arts. It is an opportunity for these students to be part of an exciting three-day program to foster their interest and development.

The highlight of the excursion is attending the Schools Spectacular, a showcase of the talent in NSW public schools with over 2000 dancers, a 1500-voice choir, an 80-piece symphony orchestra and 50 exceptional soloists performing.

The dates of the excursion are:
- Wednesday 25th November
- Thursday 26th November
- Friday 27th November.

Students will travel home Friday night after the Schools Spectacular performance, arriving home Saturday morning.

**STATE ATHLETICS**

Congratulations to Tatum Boyd who competed in the Senior Girls Shot Put at the State Athletics Championship last week. Tatum performed a personal best, achieving a 50cm improvement. Tatum has had a wonderful year, achieving regional selection in a number of sports, and making it to state level in Shot Put and tennis. Well done Tatum.
