PRINCIPAL’S MESSAGE

Last Friday evening, our Year 5 and 6 students returned from their Canberra excursion. Students had enjoyed a week of activity in Canberra and in the snow at Perisher and sounded like they had a great time. We look forward to hearing all about their excursion this week.

Selected students are competing at the Riverina Athletics Carnival today, representing our district and school. We wish them well for their day of competition.

Selected students from schools across the Deniliquin Network will attend the 2015 Aspire Me Art Camp at Moulamein PS this week. Forty six students will work with five artists over two days and enjoy fabric art, dry point etching, glass art, sculpture and digital art (using ipads). It is set to be a great two days of art making that I am thrilled to organise and be part of.

Father’s Day is this Sunday, and we hope all our dads and grandads have a very happy day. Students will have the opportunity to buy something special at school from the P&C Father’s Day stall. This is not a fundraising effort, but rather provided to help students have something special to give to dad.

Enjoy Week 8 and all it has to offer.

FATHER’S DAY STALL
This week, P&C are helping families celebrating Father’s Day by providing items for students to purchase as gifts. For just $5.00, students can purchase a bag of goodies from a special stall that will make a great gift for dad, full of things that dad will enjoy.

The P&C Father’s Day Stall will be held on Thursday 3rd September at lunch time under the shelter. Send in money with your children and they can then purchase that special gift for dad.

SOVEREIGN HILL EXCURSION
What an experience! We had a mind blowing, fun-filled and adventurous two days at Sovereign Hill, Ballarat.

We travelled down 52 steps to explore underground Red Hill Mine and witness a hologram re-enactment of the discovery of the Welcome Nugget and saw the replica held in a vault. The sweet shop was certainly a hit, watching the glucose and sugar mix transform into hardened raspberry drops (which we were lucky enough to taste whilst they were still warm). The same method for making the confectionary in the 1850s is still used today!

Some students watched the candle making and dipping process and some purchased their own candle and dipped them to make a completely individual multi-striped candle of their own. The gold pour demonstration was a massive hit – watching over $100,000 of gold smelted at 1063°C then poured into an ingot and cooled in water. The amazing properties of gold were learned and Millie and Jeremy were fortunate enough to be chosen to hold the ingot! Panning took a forefront on the ‘want to do’ lists as the gold fever hit.

Blood on the Southern Cross was a chilly but incredible experience. The story of the stand for democracy and the power of the people were told through a dramatic display of light, sound, fire and water. We certainly learned about the chill of the cold Ballarat cold night air on Thursday night!

A visit to the Gold Museum certainly proved to be incredibly educational as the students were able to discuss much of what they had learned as well as top up their knowledge. Shopping time was a sure favourite as the students had to budget their spending money and decide what to buy. Posters, lollies, gold leaf, pop guns and vials for their panned gold were incredibly popular!

SRC SUPPORTS LEGACY WEEK
AUGUST 31 - SEPTEMBER 5

This week, on Tuesday and Wednesday, the SRC will be showing their support of Legacy by selling wrist bands and pens. Wrist bands will be selling for $3 and pens for $5.

Legacy Week is Australia’s iconic fundraising campaign which began in 1942. It is the annual national appeal to raise awareness and funds for the families of our incapacitated and deceased Veterans.

The funds raised help Legacy continue to assist approximately 90,000 widows and 1,900 children and people with disabilities Australia-wide, with essential services such as, counselling, special housing, medical, advocacy and social support.

Australia has lost just over 100,000 service men and women in all conflicts with many, many more badly injured, both mentally and physically.

In WWI alone around 60,000 service men and women were killed with another 60,000 losing their lives in the following 10 years as a result of their service.

We hope you can support this great cause.
CELEBRATING BOOK WEEK

Next week, all students and teachers will be celebrating Book Week. Our celebration falls outside the official ‘Book Week’ but fits well with our learning schedule.

We will be holding a Book Week Parade and students and teachers are invited to dress up and have some fun on Thursday 10th September. The parade will be held at 9.30am. Students will then enjoy learning activities based on this year’s short listed books.

You can view the Book of the Year Awards Short List 2015 by using the link here: http://cbca.org.au/ShortList-2015.htm

Students are invited to dress up as their favourite book character, as a book, a page from a book or maybe in something that fits with the theme “Books light up our world”.

“Books truly light up our world in so many different ways. They shed light into dark places by bringing education to those who want it. Books bring the world to life for us, enabling us to travel to distant lands without leaving our homes and even venture into space or fantasy worlds. They empower us, entertain us, educate us and bring us closer to others. Books help us to grow as human beings.”

Parents and friends are invited to watch the parade. Come in and join in the fun.

SASS RECOGNITION WEEK

SASS Recognition Week is this week, and is organised to acknowledge the vital role that SAS Staff play in schools across NSW.

SAS Staff are the backbone of the great work being done in NSW Public Schools. A school is made up of many different people all of whom play a part in the successful running of schools and the provision of quality education to students.

School Administrative and Support Staff, wherever they work in a school are important contributors to the success of the school and children’s education, and here at Barham PS we are have great people doing a great job for our school.

On behalf of all teachers, students and parents we are this week saying ‘thank you’ to Administration Manager Jenny, Administration Officers Michelle and Jessica, School Learning Support Officers Jenny, Diane, and Shirley, and our General Assistant Peter.

OPERATION CHRISTMAS CHILD

Samaritan’s Purse is a non-profit, Christian organisation providing emergency relief and development assistance to suffering people around the world, without regard to race, creed, gender, religion, or ethnicity of the beneficiaries. Operation Christmas Child is a worthy program run by Samaritan’s Purse that aims to provide something special to children living in poverty in developing countries who have never experienced the joy of Christmas giving.

Samaritan’s Purse is now calling for donations of shoe boxes full of small gifts that will be received with great joy by children living in poverty in countries all around the world.

If your family would like to contribute a box to this worthy cause, you can go to the Operation Christmas Child website to pay ($9 per box) and download your own label to place on your box. There is an opportunity to receive a label which will allow you track your own shoe box.
Barham Public School Newsletter

Items must not be able to leak, break or melt. There must not be food of any sort or used items, and no items that might scare or harm i.e. toy military figures, guns or knives and no gambling related items. All items must be able to fit into a standard size shoe box.

Below is a list of things that would be received with great joy and excitement. This is a great way to help others in need, and something the whole family can get involved in. Information pamphlets are available from the school office.

**Kitchen News....**

Busy times as always in the kitchen with rhubarb, orange and the rare treat of ice cream on our menus. We have also enjoyed some meatballs with kale and tomato sauce, with many students loving the ‘green stuff’. 4/5’s made a delicious chow mein with lamb and cabbage, mint & spring onions, rice noodles and our regular favourite kale.

Please take note that during the next fortnight students will be spending their kitchen time doing some fundraising kitchen goodies to sell at the upcoming P&C clearance sale. Whilst engaged in this, students will **not** be making their regular lunch style menus and will need to bring lunch on kitchen day.

Here at Barham Public School we have been reading books in our Library sessions with Mrs Mathers that have been nominated as Shortlisted books in Children’s Book Week Awards.

2015 is the “International Year of Light”, so it is fitting that the Children’s Book Week theme is “Books light up our world.” Each year, schools and public libraries across Australia spend a week celebrating books and Australian authors and illustrators.

It is the 75th anniversary of the Children’s Book Council of Australia’s Book Week this year and to celebrate this we are having a dress-up day and will be doing a variety of activities throughout the day based on the shortlisted books.

**Book Parade - 9.15am**
Thursday 10th September

Dress up as your favourite book character, as a book, a page from a book or maybe in something that fits with the theme, “Books light up our world”.

The teachers are dressing up too!
Parents and friends are invited to attend and watch the parade.

**Special Lunch**
Hotdogs, sausage rolls and primas!
Year 6 are selling these as a fundraiser for their graduation event. Look for cost and ordering details next week.
